/24-7PressRelease/ - SCOTTSDALE, AZ, May 13, 2008 - Cutting edge products and services from Dolkar Wellness are taking the health industry to a new level. Surrounding the Science of "Glycobiology", www.dolkarwellness.com is offering a "NeoWellness" approach to health and longevity....at any age.

Dolkar Wellness & Longevity will pre-launch its exclusive website to the public. It is a compilation of over 20 years of research and experience with 9 months in development - After years of helping one person at a time, the organization is now giving their knowledge away online.

Dolkar Wellness & Longevity is releasing with introductory offers including: 25% off on glyconutrients, 30% off cellular level weight loss products, 30% off all services and a free box of "Liftoff" all-natural energy drink with each purchase.

Individuals will have access to unique wellness information, exposure to wellness products such as glyconutrients, all-natural weight loss products, organic essential healing oils, and targeted products for health conditions ranging from diabetes to high blood pressure to fibromyalgia.

Dolkar Wellness features holistic services: nutritional coaching, weight loss challenges, newest breakthroughs in vegetarian cooking and recipes, Reiki healing and attunement, and guidance in meditation and stress management. In this section is years of experience and knowledge that is beneficial for a beginner or someone who has health issues and needs help all the way up to an experienced, sophisticated wellness expert.

Hundreds of articles will be included to help individuals discern which products are safe to use and give the results expected, and which ones to stay away from. The site will continue to have new information and is updated daily with all of the news that is happening around the wellness industry. Along with the news, there are tips and hints that will save many people a lot of time and money and could save their lives. Learn how to not be taken advantage of.

Tara Hoffman, the President of Dolkar Wellness, has been in the health and wellness industry for over 20 years. Through her nutritional coaching, hundreds of individuals have increased their awareness of wellness and have become healthier and happier. Now, she will be able to help thousands throughout the world.
